

List Price Increase Announcement for Listed Piping Systems

All customers,

Due to cost increases of raw materials and related supply chain events, it is necessary to increase our list prices on the following product lines, effective on January 1, 2022.

High Purity

- Poly-Pure® (Natural PP) pipe - an average increase of 10%
- Poly-Pure® (Natural PP) valves and fittings - an average increase of 8.5%
- PP-Pure® (HP-Pigmented PP) pipe - an average increase of 9%
- PP-Pure® (HP-Pigmented PP) valves and fittings - an average increase of 7%

Industrial

- Proline® pipe increase of 6%
- Proline® fittings increase of 9%
- Air-Pro® pipe increase of 10%
- Air-Pro® fittings increase of 8%
- All PE100-RC increase of 10%
- Halar® pipe and fittings increase of 10%

Any orders placed at standard distributor discounts, current pricing shall be accepted prior to January 1, 2022, or as supply allows. All orders placed after January 1, 2022, shall be based upon the new list prices.

Orders with special project pricing that are placed in December of 2021, shall be reviewed on a case-by-case basis; please contact your regional manager for updates. All special project pricing orders after January 1, 2022 will be based upon the new list prices.

Once posted, new list prices can be found online at www.asahi-america.com

Thank-You,

Asahi/America
